

# ST. MARY TORUN NO PICNIC • PICNIC FUND

In these unprecedented times of dealing getting through the Covid-19 Pandemic. The Picnic Committee of St. Mary-Torun has decided that it would be in the best interest of our parish, families and community to cancel our 2020 event. As you can imagine, this decision did not come easily, or without much prayer.

As we look forward to the day when we can again gather at Mass as a family, with our neighbors and with our community, we move forward. Our handicap accessible building project continues. The realization of this project is made possible from the many past picnics our community has put together. Through our savings from past events, generosity of our parish families, and of course the generosity of our community businesses and members. Our project dreams and goals do not end with making our church building handicap accessible, they continue with replacing our parking lot, building maintenance in window replacement, and beautification of our worship space.

With the knowledge of our building maintenance and projects continuing, we are asking our parish family to prayerfully consider how they can assist with making all of our dreams a reality. On the reverse side of this form, is a questionnaire, please take a moment—offer your input, your prayers, and if you are able to make an offering to help offset the financial loss of not having our picnic.

St. Mary's Picnic has survived through the hottest days of summer, wild storms, lack of electricity, and other trials. We will survive Covid-19 and come out stronger!
